

Ann's Fabrics Sewing Machine Center

“LEARN TO USE YOUR NEW MACHINE”

INSTRUCTIONAL GUIDE CLASSES 2012

In an effort to bring you the most advanced technology, professionally qualified teachers and the “best stocked” accessories, we have scheduled FREE instructional guide classes that accompany every machine purchased at *Ann's Fabrics Sewing Machine Center*.

BERNINA machine: Saturday ~ 10:30 - 12:30, January 14th or March 10th

HUSQVARNA/VIKING machine: Sunday ~ 12:30 - 2:30, January 15th or March 11th

BABY LOCK & JANOME machine - Saturday ~ 1:30 - 3:30, January 14th or March 10th

SERGER *all brands* - Sunday ~ 12n - 3pm, January 22nd or March 18th

If you have an embroidery machine, please make an appointment to learn the embroidery functions after you have completed the instructional guide class sewing portion.

In order to get the most from this class, we suggest you familiarize yourself with your new machine beforehand by reading the manual and sewing.

Bring your machine with all accessories, pen & notebook and all your questions.

Please call or email and let us know that you are coming.
