

# SOCIETY of SEWING & LEARNING 2010-2011

**Society of Sewing and Learning** is composed of wonderful, informative lectures designed to educate and inspire sewers, and to help bring your creations to a higher level.

Approximately half the meetings will be national guest speakers. The other half will feature different techniques and surprising trunk shows from authors and designers who do not travel. (Ann's staff, *Ann, Cheryl, Donna, Meredith, Maxine, Mary G & Roberta*, are excited to present the latter.) We encourage everyone to join regardless of what make of

machine you have or sewing experience. Our staff, known for expertise in education, along with our guest, will inspire and share with you the latest trends and tips in sewing.
