...join us and see! All level quilters are welcome.

Tuition \$20 (FREE to last October's Kaye's Quilting College attendees)

Register today. 781-828-2201 ~ Seating is limited, only 10 spaces left.

Kit purchase and home work required for class. Please bring a lunch.

Please come by Ann's at least four days before class to pick up your kit(s) and cutting instructions.

We have compiled scrappy starter kits for this quilt consisting of light, medium and dark fabrics. This \$65 kit will make a 36" x 48" quilt top. If you would like to make a larger quilt, you can purchase more than one kit. Kits will be available for pick up beginning Friday, January 6, 2012.

The cutting instructions for this quilt require that you use Kaye England's Cut for the Cure Rulers. When you pick up your kit, we will supply you with detailed cutting instructions according to your skill and comfort levels. (Kaye's Rulers will be available for purchase at a discount. We highly recommend them. They provide ease and accuracy for all quilters.)

On Saturday morning, we will cut and prepare the blocks. In the afternoon, we will sew and discuss finishing directions. Please do not expect to finish the quilt during this class. There is "no pressure at Ann's" to rush and complete your project. We will send you home with the instructions and the confidence to finish at your leisure.
